

Kawartha Council

Purpose:

To identify, report on and contribute insight to the unique issues and concerns which impact the ability of our members doing business in the City of Kawartha Lakes to develop sustainable businesses.

Mandate:

The PKHBA Kawartha Council is focused on issues that affect the professional interests of our members operating in the City of Kawartha Lakes including, but not limited to:

- Municipal infrastructure investment
- New home taxes, fees, levies and charges
- Development regulations
- Land-use, planning and approvals
- Inspection and permitting process
- Combatting the underground economy
- Local implications of Provincial or National policy
- Housing affordability and supply
- The important link between residential development and community prosperity

The Council provides information, advice and feedback to PKHBA Staff regarding operational issues within the broader context of Association policy.

The Council may also provide information, advice and feedback to the PKHBA Board regarding broader policy issues impacting the industry.

Equivalent Councils:

- Local HBA's
